VENUE AREAS

Event Spaces

The FAIRY LIGHT MARQUEE

Capacity: Sit down 40 | Cocktail 60

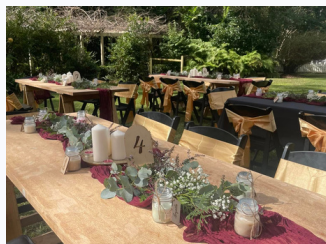

This area is recommended as a back up for wet weather, a caterers set up area, or smoking area however some couples love this space for their event.

The GARDEN TERRACE

Capacity: Banquet 70 | Cocktail 90

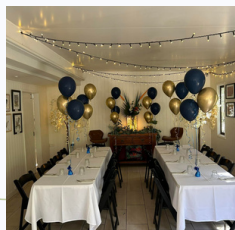

The Terrace is the main function dining area. perfect for both cocktail and sit down receptions, undercover and conveniently located near the bar, cocktail deck and amenities.

The LAWN

Capacity: Banquet | Cocktail

This is the perfect reception area for couples wanting an open-air cocktail party or dining experience. Also for those who want to hire a marquee or tipi - Options are endless!

WET WEATHER

Wet Weather Considerations

THE FAIRY LIGHT MARQUEE

The Fairylight Marquee: Capacity 40 guests

THE GARDEN TERRACE

The Garden Terrace:
Capacity 70 guests

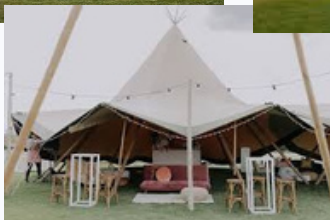

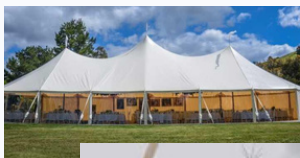

THE LAWN

Marquee / Tipi Considerations

Our lawn is a beautiful option for picnics in the sun, or under-the-stars dining, surrounded by the gardens and open air.

However, as our wet weather back-up reception space is The Terrace, which accommodates up to 70 guests, we generally recommend keeping guest numbers to 70 or below unless a larger marquee or tipi is hired.

If your guest list is larger than 70, or if rain is forecast, a larger marquee or tipi may be required to ensure your seating arrangements and reception plans can still go ahead comfortably. *(Client to hire from insured businesses only)*
